Internship

Below The Line Bootcamp (BTL), Choice Films, Newburgh, NY, 07/01/24, 08/01/24.

Below The Line Bootcamp is an unpaid and well-known internship. With 50-plus hours of on-set action, you are on your own most days to explore, ask questions, and look into areas most interrelated to your dreams of being on set. For me, I learned and stayed around the producers to look at the closest area surrounding my Marketing and PR experience for the future. I experienced a whole week of filming, seeing on-set workers in unison, staying in a tight schedule day in and day out, and learning what it's like to be on a film set.
